In the world,

... how many people are there...

...who are satisfied
by their selfies?

I'm definitely not one of them.

So I don't like taking photos.

Most people seem like they don't like
how they look in the photos.

We must save
this moment in a
picture I think!

Ah... How about
if I take a photo of
you guys?

However, not many of them would
take photos as much as I do.

Ah- It's a shame
that it is a bit too
dark here

Let me
see. Hehe~

Funny-sounding head/funny head

Especially,
when I can compare myself
to others, and,

...when it's awkward to suggest
to take it again,...

... I really hate being in the photo!

Then one day...

I learnt an amazing tip.
